

# NOTICE

**This notice is to advise Many Rivers Counselling clients that as of Friday, August 30, 2019, all client files that were in the possession of Many Rivers are now in the possession of the department of Health and Social Services.**

**Client files have been securely stored and access to them is strictly limited in keeping with privacy legislation.**

If you wish your file to be transferred to another care provider, please contact the department at the address below.

As with all personal health information held by the department, you have a right to access your own file, subject to *Health Information and Privacy Management Act* (HIPMA).

Access requests must be made in writing using the Records Application Form accessible online at [www.hss.gov.yk.ca/healthprivacy.php](http://www.hss.gov.yk.ca/healthprivacy.php).
